

Hawks Premier Futbol Club

The Hawks Premier Futbol Club is a U-13 Girls Select Soccer Club in our 7th year. The Hawks are based in Gahanna, however, the team is a WASA Independent team and we play our home games in Westerville. The current team has compiled a 46-12-8 record in 5 seasons (3 MOSSL, 2 Indoor), with two Division Championships and two 2nd place finishes. We are competing in MOSSL's "B" Division this Spring and we anticipate moving to the "A" Division in the Fall.

Team Philosophy

The Team's primary focus will be on the training and development of all of the players to the best of their abilities while still emphasizing the fun and enjoyment of the game of soccer. We will strive to field a competitive team and play to win, however all players, as members of the TEAM, will be given a chance to compete.

Our goal is to provide each player training in a more advanced and competitive atmosphere. In order to accomplish this, we employ one of the top trainers in Central Ohio to work with the team at all practices.

As an Independent team, we set our own rules and we make use of Corporate sponsors and fund-raisers to help defray the costs and reduce player fees. As a result, our fees are much lower than most Club teams.
