Tuesday, July 13th through Saturday, July 17th
Coach self-scheduling meetings.

A coach or knowledgeable team administrator **MUST** be in attendance at the designated date and time for each age group. That coach or team administrator must come to the meeting prepared to schedule all 10 of their games for the Fall 2010 season. They should know what tournament(s) their team will be attending during the Fall season and they should know what non-soccer commitments their players have during the season, (i.e. band concerts, fields trips, religious activities, etc.).

With teams self-scheduling their games, there should be little, if any, reason to reschedule games once the Fall season starts.
